

Obtaining a Police Report? Do so below.

Anyone can request these public records.

- Computer-aided dispatch reports (CAD)
- Case Reports (closed cases)
- Arrest Reports (closed cases)

The more specific information you give us, the easier it will be to find the record.

It's helpful to have information like:

- Date of incident
- Case number
- Keywords
- Names of people involved
- Location of the incident

If you have any questions please contact [bmoss \[at\] centraliapd.org](mailto:bmoss@centraliapd.org) (Brenda Moss).
