Request for Proposal for Asphalt Overlays RFP

The City of Centralia, Missouri will accept sealed and signed proposals for the provision of Depository/Banking Services as described herein. All proposals must be clearly marked “**Centralia Asphalt Proposals – FY2023-24**”. Faxed or emailed proposals will not be accepted. The proposer is required to use this RFP form in preparing and submitting the proposal.

The City of Centralia will receive sealed proposals for asphalt overlays until 10:00 a.m. CDT on Friday, June 16, 2023.

The sealed envelope shall be plainly marked: **Centralia Asphalt Proposals – FY2023-24**, and should be addressed as follows:

Marilyn Dick, City Clerk
Centralia City Hall
114 South Rollins St.
Centralia, Missouri 65240

All interested parties are requested to fill in the enclosed proposal sheet accompanying this letter and submit such as their proposal. The City of Centralia reserves the right to reject all proposals, and to waive any irregularities.

Questions or requests for additional information should be directed to City Administrator, Tara Strain at tara@centraliammo.org or Public Works & Utilities Director Matthew Rusch at mrusch@centraliammo.org or by calling (573) 682-2139.

Thank you for your interest.

Sincerely,

Tara Strain
City Administrator
City of Centralia, Missouri

Proposal

INSTRUCTIONS TO CONTRACTORS:

1. The successful Contractor shall supply all labor, equipment, materials, and tools necessary to perform the work as outlined under SCOPE OF WORK.
2. All prices shall be for work in place in Centralia, Missouri.
3. Quantities are estimates only and are subject final measurement upon completion of the work.
4. The SCOPE OF WORK is subject to change pending evaluation of the Proposals and monies available to complete the work. The successful Contractor shall execute a contract that incorporates the Proposal Documents, as amended by any such changes.
5. Payment shall be made after:
 - A. All work has been completed.
 - B. Acceptable weight tickets and invoices have been received.
 - C. Contractor has provided any necessary documentation to show compliance with the Missouri Prevailing Wage Law, where applicable.
 - D. The pay request has been approved by the Board of Aldermen during one of their regularly scheduled Board meetings.
6. The City of Centralia reserves the right to accept or reject any or all Proposals or to waive any technicalities or informalities if it be in its best interest to do so.
7. A list of project references shall be provided upon request.
8. All work shall be completed on or before **Friday, October 27, 2023**.
9. All Proposals shall remain firm for a period of thirty (30) calendar days after opening for the purpose of reviewing such and formal approval by the Board of Aldermen.
10. When requested, the successful Contractor shall make every effort to always keep one lane of traffic open.
11. The City will furnish a Missouri Project Exemption Certificate to the successful Contractor. Otherwise, all taxes which might lawfully be assessed against the City shall be included in the Proposal and paid by the Contractor from monies received from the satisfaction of this contract.
12. The successful Contractor will agree to hold harmless, indemnify and defend the City of Centralia from any actions taken as part of this project that are not the direct result of negligence on the part of the City of Centralia.
13. The successful Contractor shall obtain and maintain throughout the project insurance. The Contractor will also agree to name the City of Centralia as an additional insured per occurrence and provide certificates of insurance that specifically state this and the standard construction endorsement demonstrating the following Workers Compensation, General Liability, and Vehicle Liability prior to beginning work to the following amounts:
 - Liability and motor vehicle insurance at or above \$1,000,000 per occurrence and \$2,000,000 aggregate,

- Workers' Compensation insurance at statutory levels.
14. The successful Contractor shall be responsible for obtaining all applicable licenses and permits prior to beginning work.
 15. A **Payment Bond** for payment of all materials incorporated, consumed, or used in connection with the construction of the project as required by RSMo Sec. 107.170 for the full amount of the Proposal will be included as part of the Proposal. No Bid or Performance bond is to be required.
 16. Prevailing wages, when required by Missouri law and as published by the Missouri Division of Labor Standards, shall be paid by the Contractor to all employees during the performance of the work.
 17. Conditions:
 - A. The Contractor shall provide a ten (10) hour Occupational Safety and Health Administration (OSHA) construction safety program for all employees who will be on-site at the project. The construction safety program shall include a course in construction safety and health that is approved by OSHA, or a similar program approved by the Missouri Department of Labor and Industrial Relations that is at least as stringent as an approved OSHA program as required by Section 292.675 RSMo.
 - B. If any on-site employee had not previously completed a construction safety program, Contractor shall require those on-site employees to complete a construction safety program within sixty (60) days after the date work on the project commences.
 - C. Contractor shall acknowledge and agree that any of Contractor's employees found on the project site without documentation of the successful completion of a construction safety program shall be required to produce such documentation with twenty (20) days or will be subject to removal from the project.
 - D. Contractor shall require all its subcontractors to complete with the requirements of this Section and Section 292.675 RSMo.
 - E. Pursuant to Section 292.675 RSMo, Contractor shall forfeit to City as a penalty two thousand five hundred dollar (\$2,500.00), plus one hundred dollars (\$100.00) for each on-site employee employed by contractor or its subcontractor, for each calendar day, or portion thereof such on-site employee is employee without the construction safety training required in subsection (a) above.
 - F. The penalty described in subsection (E) above shall not begin to accrue until the time periods described in subsections (B) and (C) above.
 - G. Violations of Section (A) above and impositions of the penalty described in this section shall be investigated and determined by the Missouri Department of Labor and Industrial Relations. If the Missouri Department of Labor and Industrial Relations has determined that a violation of Section 292.675 RSMo has occurred and that a penalty as described in subsection (E) above, shall be assessed, the City shall withhold all sums and amounts due and owing when making payments to Contractor under the contract for this Proposal.
 18. Bidders are informed that pursuant to Section 285.530, RSMo, as a condition of the award of any contract in excess of five thousand dollars (\$5,000.00), the successful bidder shall, by sworn affidavit and provision of documentation, affirm its enrollment and participation in a federal work authorization program (e.g. e-Verify) with respect to the employees working in connection to the contracted services.

Successful bidders shall also sign an affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection to the contracted services. An example is seen as Attachment B.

- 19 Bidders are informed that the Project is subject to the requirements of Section 292.675, RSMo, which requires all contractors or subcontractors doing work on the Project to provide, and require its on-site employees to complete, a ten (10) hour course in construction safety and health approved by the Occupational Safety and Health Administration ("OSHA") or a similar program approved by the Missouri Department of Labor and Industrial Relations which is at least as stringent as an approved OSHA program. The training must be completed within sixty (60) days of the date work on the Project commences. On-site employees found on the worksite without documentation of the required training shall have twenty (20) days to produce such documentation.
20. The Contractor shall comply with all state and federal statutes relating to nondiscrimination, including but not limited to Title VI and Title VII of the Civil Rights Act of 1964, as amended (42 U.S.C paragraphs 2000d and 2000e, et seq.), as well as any applicable titles of the "Americans with Disabilities Act" (42 U.S.C. paragraph 12101, et seq.).

Scope of Work

SECTION A. Asphalt Overlays

Required Work for each street:

1. Sweeping of surface.
2. Provide place and compact wedge asphalt course as needed.
3. Provide, place and finish 1", 1-1/2" or 2" (as noted) of compacted Type C Asphaltic Concrete Pavement over the entire street, from the edge of the street or the concrete gutter.
4. Trackless Tack Coat is an incidental item.
5. Mill butt joints at start and ends of overlays and at intersections with previously paved streets – this cost is to be included in your per ton price.
6. Provide City with at least 24 hours of notice prior to starting work on any street.
7. Where identified by City and where possible, contractor shall lay asphalt adjacent to connecting sidewalks in a manner that minimizes changes in slope and does not create additional barriers to handicapped accessibility.
8. Provide the City with at least 24-hour notice prior to starting work on any street.

Provided by City:

1. Notify residents and businesses to allow removal of vehicles prior to starting work.
2. Pavement of any transitions to driveway or side streets when such transition extends more than two feet from the nominal edge of the overlay.
3. Adjustment of height of sewer manholes and valve boxes prior to Contractor's commencement of work and adjustment of height of valve boxes at the time of overlay work.

Quality Assurance:

Per Section 403, Missouri Highway and Transportation Commission specifications.

Use of Recycled or Recovered Material:

Per Section 401, Missouri Highway and Transportation Commission specifications

BASIC WORK:

1. **Singleton:** From Jefferson Street to Rollins Street. This street will need a complete 2 inch mill the entire length from Jefferson to Rollins. Approximately 1100 feet long by 52 feet wide by 2 inches thick. **Estimated 733 tons of asphalt.**
2. **Bradford:** From Singleton Street to Sneed Street. Approximately 300 feet long by 20 feet wide by 2 inches thick. **Estimated 77 tons of asphalt.**
3. **Collier Street:** From Singleton Street to Sneed Street. Approximately 260 feet long by 62 feet wide by 2 inches thick. **Estimated 207 tons of asphalt.**

4. **East Sims Street:** From Maple Street on E. Sims Street to the east (dead end). Approximately 350 feet by 18 feet by 2 inches thick. **Estimated 81 tons of asphalt.**
