Alan Baca
PRESIDENT OF THE BOARD OF TRUSTEES OF THE CITY OF CENTRALIA, MISSOURI MUNICIPAL LIBRARY DISTRICT

Centralia Public Library<br>Meeting Minutes<br>September 14th, 2023

Trustees Present: President Alan Baca, Vice-President Catherine Simmons, Suzanne Long, Melissa Maxwell, Treasurer Linda Luke, Secretary Felicia Beckmann, Katherine Butrum \& Angie Taylor

Trustees Absent: None

Others in Attendance: Director Amy Hopkins

President Baca called the meeting to order at 6:19 p.m.
Public Comments: None

City Information Report: None.
Minutes: August meeting minutes were reviewed. Trustee Luke made a motion to approve the August minutes, seconded by Trustee Simmons. All in favor, minutes approved.

Treasurer's Report: The August Treasurer's report was reviewed and discussed. Trustee Simmons made a motion to approve the Treasurer's report and Trustee Beckmann seconded. All in favor, report approved. Director Hopkins will look into getting a CD for library surplus funds as CD rates are currently between $4-6 \%$.

## Old Business:

A. Wallpaper and Painting project: Gary Dorr will be contacted about shelf moving equipment. Project will be done room by room so the Library will continue to be open during the improvements. Estimated time 2-3 weeks. Light, neutral gray will be selected for the main areas and a coordinating blue paint will be selected for the teen area accent wall.

## New Business:

A. Storytime Teacher staff position will be created. Amanda Erisman will have 13 hours per week to plan and facilitate Story time classes, outreach to local daycares and Head Start program. Financial details are in the Closed session.
Another circulation staff member will be hired due to two other staff members requesting reduced hours. Summer Reading program responsibility will be divided up by age group next year (Cait \& Sadiqa - Adult, Sam - J/YA \& social media, Amanda - Pre-K to 2nd grade)

## Director's Report:

- Director Hopkins went over the August circulation report. Computer use is up, STEM kits are doing well, Juv \& YA circulation is also doing well. eBooks/eAudiobooks were down slightly.
- Axis360 eBook consortium will be changing to Boundless. Patrons will need a new app to access this collection.
- Grant updates were given - SRP grant final report was submitted on time. Summer Reading grant for next year is due in early December. Tech Ladder grant 2nd interim report is due mid-November. Statistics are currently being gathered for the Public Library survey
- Audit has begun for FY 2022-2023. Upon completion, Director Hopkins will research other options as the pricing for our yearly audit with Winfrey CPA, LLC increases significantly each year.
- Mayor Cox was informed of Erin Eastin's move out of our district. Kristen Adams-Vargas will be appointed to serve out Erin's board term which doesn't expire until 2025. Marilyn Middleton submitted a letter expressing her interest in becoming a board member. Larry Dorman has also expressed an interest in rejoining the board when a position opens up in the future.
- GRLC conference - attended by Director Hopkins and Cait Spears. Held at the Montgomery City library on Sept. 6th. There were presentations on working with intellectually/developmentally disabled patrons (Cait works with the ACT group on the 1st Fridays of the month). A group called Touch of Hope spoke about their Care Kits/Purse Project and how libraries can be a distribution point in the community. Robin Westfall, Missouri State Librarian, gave an update on the Missouri State Library and the resources available to public libraries.
- Pictures of August programs were shared with the Board - Paws \& Pages, Anime club, Harry Potter club and the 18+ craft for August.

President's Report: None

A motion was made by Trustee Simmons to go out of open session. Motion was seconded by Trustee Butrum. All in favor, motion carried.

A motion was made by Trustee Simmons to go into closed session in order to discuss adding funds to the staff budget through the end of this fiscal year. Motion was seconded by Trustee Taylor. At 6:55 p.m., the roll call vote was accepted.

## Notice of Closed Meeting and / or Closed Vote

Closed Session pursuant to Section 610.021, Paragraph (3) of the Revised Statutes of the State of Missouri for the purpose of staff salary discussion.

President Baca called to adjourn the meeting at 7:17 pm. Trustee Taylor made a motion to adjourn, Trustee Simmons seconded, motion carried and the meeting was adjourned.

The next scheduled meeting will be at the Centralia Public Library on October 12th, 2023 at 6:15 pm.

## Statement of Confidentiality \& Non-Disclosure

This document contains a proposal of services by InfiniTech Consulting LLC. The information in this proposal is confidential and should only be shared with those responsible for the evaluation and execution of this document. Neither the document nor its contents may be disclosed outside of the organization without the expressed consent InfiniTech Consulting LLC.

## Executive Summary

Who Are We?
InfiniTech Consulting, LLC is an experienced Managed IT Services provider centrally headquartered in Columbia, MO serving clients throughout the Midwest. InfiniTech delivers a wide array of technology solutions, managed security services, and business applications designed to help our clients meet the demands of today's competitive marketplace and achieve a higher level of business success.

The company was founded in 2014 by three industry veterans who are all still involved in the daily operations and support of the company. Since our founding we have grown to a staff of 20. We believe in hiring the most talented and committed staff, providing expertise, best practices, and actively working to understand our clients' businesses and how we can leverage our technology to maximize IT investment and produce better business outcomes. InfiniTech has developed a unique platform for service delivery that can meet all of your IT essentials: data protection, network security, communication and collaboration, business applications and support.

## Our Advantage

At InfiniTech, our focus is to act as your trusted technology consultant, delivering solutions that assist organizations and managers to maximize their IT investments. Our extensive experience within the industry allows us to bring innovative ideas and the latest technologies to your organization, producing better outcomes for your business. Our experienced technical staff hold numerous vendor and industry certifications from Microsoft, Dell, HPE, Cisco, VMware, CompTIA, and cybersecurity certifications. By putting the professional experience of Infinitech to work for your organization, you can take the focus off your technology problems and put it back on what matters, your business.

## Our Solution

InfiniTech is proposing two different options for the city to consider, both are versions of our InfiniCare ${ }^{\text {TM }}$ program. InfiniCare ${ }^{\text {TM }}$ is our comprehensive IT management program providing proactive monitoring, maintenance, security, and support of your technology infrastructure.

Option A is our Essentials Plus bundle. This package includes all monitoring, proactive maintenance, security software, and remote user support for one low, predictable monthly payment. Option B is our TotalCare bundle that also includes onsite support and remediation of network and IT infrastructure related systems. A comparison chart is provided.

## Request for Proposal

Computer Network and Information Technology Services

RFP\# CEN23-AD-01

Submission Deadline: September 26, 2023 @ 10:00 A.M.

The City of Centralia (the City) is requesting proposals from qualified vendors for Information Technology (IT) Support, and IT Services. The City's specific needs are outlined below. If your firm offers other/additional technology services, feel free to submit details and pricing as part of your response.

It is the City's desire to enter into a one (1) year contract with the selected vendor based on the proposal submitted. At the City's sole discretion, it may choose to renew the contract for two (2) additional one-year terms. The agreement shall not exceed a total of 36 months ( 3 years). The successful submitter will be the primary contractor to the City for providing IT Support and Services as agreed upon within the resulting agreement.

The City's IT Support needs include the onsite maintenance and support of Windows servers, Windows desktops, software, networking, switching, new cable installation, repair of existing cable, router/firewall, wireless, printers, and other typical IT infrastructure found in a business environment. Support may be provided at the City's physical locations, or remotely as appropriate. Your response will include a price per hour for this item. Please specify if there is a minimum, or billing increment. For example, one-hour minimum, $1 / 4$ hour increment thereafter. Also, if remote support is billed differently, provide that detail.

If your staff holds relevant hardware or software certifications, provide that detail as part of your response.

IT Services the City uses today are fairly basic, but important. These include DNS Hosting, Email Service, Email Archiving Service, Offsite Data Storage/Backup, On-site or remote server, equipment and software purchase consulting, consulting on installation of third-party software packages cybersecurity, network and computer service. Your response will include pricing for each of these services offered. Indicate if you are willing to offer only some of the "IT Services" services, or if you would be willing to enter into a contract for the City if you offered all "IT Services" but were selected for only some of the "IT Services."

A list of "Optional IT Services" the City may be interested in is included and hosted Office 365, pulling wire and other items are included on that list. If your company provides either of these services, please provide pricing in your response.

A pricing sheet has been provided as part of this RFP. It is the City's preference that you use the included form, or at minimum, follow the same methodology in creating your response. Responses that are vague or confusing will not be considered. All pricing or quotes must be signed and dated.

The City does not desire to receive an abundance of pre-printed marketing material with the response. Any printed material that is generally helpful, and specific to the RFP is welcomed and
will be examined. In no case should a vendor assume that the City has expert knowledge of Information Technology, its jargon, or acronyms. It would be in the vendor's best interest to submit their response with that in mind.

Interested vendors are encouraged to notify the City of their intent to respond. To do so, respondent should email tara@centraliamo.org. The email should include company name, contact name, address, phone number, fax number, email address, RFP name and number. Questions that arise during the preparation of your response should be submitted via email to tara@centraliamo.org. Answers, and the submitted question, will be distributed to all that register. Any modifications or updates to the RFP will additionally be emailed to all that register. It is the respondent's responsibility to ensure they have the most accurate information relative to this RFP by following this simple registration process.

Additional information may be submitted in the form of an Executive Summary not to exceed two pages that is specifically written for this proposal. The City would like to know if your company can improve network speed and performance. Information about company management structure and company service philosophy as well as additional services provided are encouraged.

## Expectations of the vendor selected as the contractor

1. The contractor will be willing to enter into a contract based on the Proposal submitted and the contract shall be construed according to the laws of the State of Missouri. The contractor shall comply with all local, state, and federal laws and regulations related to the performance of the contract to the extent that the same may be applicable. Failure, to familiarize himself/herself with applicable laws in no ways relieves him/her from responsibility. All permits and licenses must be purchased prior to the commencement of any work.
2. The contractor will not be considered an employee of the City of Centralia.
3. The contractor shall defend, protect, and hold harmless the City of Centralia, its officers, agents, and employees against all suits of law or in equity resulting from patent and copyright infringement concerning the contractor's performance or products produced under the terms of the contract.
4. Insurance requirements:
A. The contractor shall understand and agree that the City of Centralia cannot save and hold harmless and/or indemnify the contractor or employees against any liability incurred or arising as a result of any activity of the contractor or any activity of the contractor's employees related to the contractor's performance under contract.
B. Therefore the contractor must provide proof of insurance and name the City of Centralia as an additionally insured with an endorsement. Written evidence of the
insurance coverage shall include, but not necessarily be limited to: effective dates of coverage, limits of liability, insurers' name, policy numbers, and liability coverage in the following amounts:

- Worker's Compensation - Statutory Limit (if applicable)
- Employer's Liability - \$100,000
- General Liability - \$1,000,000 per occurrence and \$2,000,000 annual aggregate

## Jacqueline Perry - Proactive Services

Jacqueline came to DaZZee after serving serving in the I.T. field for the U.S. Army as well as for the Veterans Administration. Jacqueline is very adept at auditing our client environments against industry best practices, compliance standards, and DaZZee's best practices to reduce risk and liabilities, provide efficiencies, and ultimately reduce the amount of issues our clients see on a regular basis.

## Rusty Bartee - Centralized Services

Rusty joined the DaZZee team in the Spring of 2021 and has worked through most all roles within the Service Delivery Team. In the Centralized Services role, Rusty is responsible for the ongoing daily activities to ensure security, business continuity, patching, automation and scripting and ultimately increasing efficiencies for all of the DaZZee client base.

## Eric Robinson - Project Engineer

Eric Robinson interned with DaZZee between his junior and senior year of college at College of the Ozarks and quickly became a requested tech by many of our clients. Eric's calm temperament and very logical methodology served our clients well and quickly. Eric graduated from College of the Ozarks in May of 2021 and came on board full time with DaZZee as a Tech. Admin. and has now transitioned into a dedicated Project Engineer.

## Bryan Linton - Project Engineer

Bryan joined DaZZee in 2023 after working with us on the client side for almost 16 years and brings with him an extensive resume around cybersecurity, Microsoft environments, and Cisco infrastructure. When his tenure ended with his previous employer we were thrilled to bqeadfe 78 to add him to our team as a Project Engineer and the expertise he is able to bring to our clients.

## Hunter Holderfield - Project Engineer

Hunter Holderfield joined DaZZee in the Spring of 2021 as an intern and quickly became a favorite with our clients. Hunter has an excellent knack for customer service and interacting with end-users in a very personable and pleasant manner while still maintaining a sharp attention to technical detail. Hunter is a very quick learner and has rapidly scaled up in his responsibilities within the DaZZee team and focuses on delivering client projects on-time and on-budget.

## Logan Willson - Tech. Admin.

Logan joined the DaZZee team after graduating from Missouri S\&T in 2020. While attending college at S\&T Logan was able to work on the university tech support team supporting thousands of users and devices. Logan bring a great perspective to the operations for DaZZee and we are fortunate to have added him to our team right after graduation. As an added bonus Logan is the first DaZZee team member that has followed in their parent's footsteps. Logan's dad, Terry worked for DaZZee up until the spring of 2020. Logan has has quickly picked up IP Telephony and VOIP solutions as a strong suit and an area he enjoys working in and supporting.

## Dominque Maxwell - Tech. Admin.

Dominique joined DaZZee in the Spring of 2023 after finishing up his Information Technology degree at University of Massachusetts . Dominique has the calm and assuring personality with the assured confidence to get the job done and is one of our client's favorites on the Reactive Services Team.

## Ryan Rose - Tech. Admin. Team Lead

Ryan has been in the IT industry for over 20 years and has served as an I.T. Manager over some fairly complex environments. Ryans's focus on client communications and his ability to dig to the bottom of the issues make him an invaluable asset to our team and clients. As the Tech. Admin. Team Lead for DaZZee, Ryan provides oversight, direction, and assistance for more complex client issues as well as overall client communications and quality control. Ryan's experience is a huge asset to the DaZZee team as well as our clients.

## Vicki Hicks - Director of Coordination

Vicki joined DaZZee in the Spring of 2022 as our newly formed position of Director of Coordination. Vicki has worked in the past with our team and her attention to detail, dedication to results, and focus on client experience were immediate targets for DaZZee to put to use for our clients. Vicki serves as the point of coordination for all quotes, orders, vendor communications, and facilitates coordination between shipping and procurement and our project and professional services teams.

## Additional Rates

## Onboarding Fee

What is it? The first month of the agreement we are going to be very busy migrating you transparently to DaZZee standards and best practices. This fee helps cover a portion of our hard costs but does not cover them entirely, as we are making an investment in your business and our relationship to create a stable and predictable environment.

## Projects

What is it? Assistance with helping define the project, including selection of the right vendors and scoping the work to be completed, is all part of your service agreement along with day to day support. When we make that project a reality through our Professional Services team, that is when separate billing occurs. Typical projects include an office move, new office setup, and a new software package implementation.

Rate - We guarantee that projects are performed on a flat rate when we have a clearly defined scope of work. Projects require $100 \%$ funding of all product ordered before scheduling and commencement of work.

How do I use it? Submit a Service Request or discuss with your DaZZee CIO and our staff will work with you to define the project plan, timeline and budget.

## Signatures

All parties agree to be bound by the electronic signature that executed by this document. By signing (whether physically signing or electronically) this Contract, the Parties hereto agree to all terms, conditions and covenants contained herein and that they are authorized to make such decisions for their respective organizations. The Parties acknowledge that this is a legally binding Contract and the Parties fully acknowledge that they each have accepted this Contract of their own free will and that the signing of this document was not the result of coercion or duress and that both Parties sought and received, or had the opportunity to seek and receive, the advice of legal counsel, of their choice, prior to signing this Contract.

## TRANSMITTAL LETTER

September 26, 2023

Tara Strain, City Administrator

The City of Centralia
101 S. Locust Street
Centralia, MO 62801

On behalf of Forward Slash Technology LLC, I am pleased to present Train Strain and the City of Centralia, with our response to the Request for Proposals Computer Network and Information Technology Services (RFP\# CEN23-AD-01).

Forward Slash Technology is a privately held corporation (Federal EIN\# 45-1303853) incorporated in the State of Missouri (Business License \# 21127883) where we are currently registered to do business. Forward Slash, LLC opened for business in April of 2011. Chryste Andrews will serve as the primary contact and Matt Favazza, will serve as the secondary contact for all RFP-related communications, including any requests for clarification or other communication needed between the City of Centralia and Forward Slash Technology, LLC.

We are honored to have been given an opportunity to bid on your RFP. It is our objective to provide the City of Centralia with cost-effective IT support services that will improve operations and increase savings. We have built our technology services to be scalable, flexible, and transparent.

Forward Slash Technology, LLC has carefully reviewed and acknowledges the understanding of the services required in this RFP. We will carry out all contracted responsibilities in the same highly professional and successful manner to which all our clients have become accustomed.

This response confirms our agreement to perform services for a one (1) year term; with renewal for two (2) additional one-year terms.

Forward Slash Technology hereby acknowledges that our proposal and cost schedule is valid and binding for 90 calendar days, commencing on Wednesday, November 1 at 7:00 am.

Please contact me should you have any questions.

Sincerely,

Monte Hickey
Forward Slash Technology, LLC
President

## Qualifications of Staff \& Work Experience

FST has assembled a staff of extremely talented, competent, and capable employees. All employees of FST are at least a level II or higher, have always met the challenges placed before them and are dedicated to providing the highest quality services to our clients. All employees working on The City of Centralia contract will be fully capable and have extensive experience providing network infrastructure design and support.

FST has made a significant investment in its back-end infrastructure and the quality of its employees. The management team at FST continually evaluates staffing levels to ensure that we deliver the highest level of customer service. Should the need arise to add additional personnel to ensure our quality of service, FST has the unique ability to quickly acquire top IT professionals through its dedicated staff augmentation division, FST Staffing. FST currently employees one of St. Louis' top recruiting professionals with over 15 years' experience in the St. Louis IT staffing industry.

FST will assign a dedicated Project Manager/Account Manager who will coordinate activities related to The City of Centralia's IT needs. All engineers and help desk technicians are equally capable of resolving issues for The City of Centralia.

FST is dedicated to the success of The City of Centralia IT initiatives and below is a sample of our key personnel.

Monte Hickey, President/CEO - possesses over 25 years of Information Technology experience. His vast technical experience and keen business skills has led FST to its current success.

Matt Favazza, Director of Technology - has a bachelor's degree in Computer Science from St. Louis University and possesses over 25 years of professional experience in network design and implementation.

Robert Claggett, Manager, Network Engineering - Rob has a bachelor's degree in Computer Science from Wentworth Institute of Technology and has over 15 years information technology experience.

Chryste Andrews, Account Manager - has over 25 years of information technology experience. Since joining FST in 2013, she has become a key member of our management staff.

Joshua Martin, Help Desk Supervisor - has a master's degree in Information Technology from Southern New Hampshire University and has over 7 years' experience working in information technology.

Andrew Westermeyer, Cyber Security (Security Operations Center) - has a master's degree in Computer Science with emphasis in Cyber Security from the University of Missouri - St. Louis and has many years of technology experience. He is CompTIA Security+ certified.

All FST employees have completed the CJIS Level 4 security training and certification, Missouri State Highway Patrol sponsored fingerprint-based background checks and have been HIPAA certified.

## PROFILE OF THE FIRM

## Executive Summary

Forward Slash Technology, LLC ("FST") is a St. Louis-based IT Security and Managed Services Provider, offering a wide variety of services to clients both in the public and private sectors throughout the state of Missouri, since April of 2011. FST can fully understand the commitment needed to fulfill the services requested by The City of Centralia. We are presently providing these services to several existing Missouri municipalities and look forward to the opportunity to serve you. We will call upon our highly skilled staff of network professionals to address the challenges that exist in the administration and support of your infrastructure. Our philosophy is formed around the concepts of teamwork, partnership, service, and quality. The strength and qualifications of our staff will enable us to provide support that is both prompt and thorough.

FST has utilized its wealth of knowledge and experience in the IT industry to accomplish outstanding objectives for our clients; achievements that have been recognized as leading edge and extremely cost effective. FST recognizes that the success of any endeavor is close communications, the ability and willingness to think outside the box and provide comprehensive, cost saving solutions that meet your needs. Identifying needs and accommodating them is an area where FST excels, and we are prepared to offer these services to The City of Centralia so you can utilize leading edge technology.

In preparing this proposal, our team has carefully reviewed your RFP requirements. It is through this review that we believe we have established a solid understanding of the requirements and objectives of The City of Centralia. We are committed to delivering superior service and quality, including start-of-theart technology through our strategic partnerships with Microsoft, Cisco, HP, Dell, IBM, Barracuda, ADTRAN, Proxim Wireless, TOA, AXIS, VMware and Mitel. Furthermore, FST works with a variety of software vendors of both commercial-off-the-shelf (COTS) and proprietary Products (e.g. REJIS, ITI, MULES, Tyler, etc.) that drive our client's strategic business processes in order to understand the unique operating environment of each client.

In summary, FST will carry out all contract responsibilities in the same highly professional, successful manner with which our clients have become accustomed. Drawing upon our successful professional history to deliver unparalleled service and support, we will offer The City of Centralia a truly best-in-class solution designed to meet your needs now and in the future. Our team is ready to assist you with technical innovations and unsurpassed customer service.

## MUNICPALITY SPECIFIC EXPERIENCE

FST has gained considerable experience specific to state and local governments through active support partnerships with several municipalities for over a decade. These relationships have provided us the knowledge and experience necessary to support The City of Centralia.

## Criminal Justice Information System (CJIS) / HIPAA Certifications

To meet the unique needs of state and local governments, all FST employees have completed CJIS Level 4 security training and certification. FST participates in the Missouri State Highway Patrol sponsored fingerprint-based background checks to meet the needs of municipalities. Additionally, FST requires all employees to complete HIPAA certification to provide the highest level of security to the city's critical infrastructure.

## Patrol Vehicle MDTs

FST has proven experience in MDT installations and support. This includes vendor selection for the MDT (Dell Rugged Laptops vs. Panasonic Toughbook) as well as the selection of mounting hardware and the physical installation in patrol vehicles. FST works with municipalities vendors to ensure the proper configuration and installation of related software.

## Vendor Management

Through our years of continuous experience working with a variety of municipalities, FST has gained considerable municipal-specific experience to include, but not limited to

- Police Departments - ITI, MULES, REJIS, Omnigo, Digital Ally (VuVault), CopTrax, Livescan and Lenslock (not applicable to The City of Centralia)
- 911/Emergency - Oaisys call recording (not applicable to The City of Centralia)
- Fire Department/District Services
- Administration/Courts - For Tyler Technologies' Incode we facilitate the software installation and do administration tasks like new user setups and basic troubleshooting; BS\&A
- Public Works - SCADA, GIS/Pictometry, ScaleSoft, PubWorks, Civic Plus/Rec
- Water/Waste Water Treatment
- Utility Billing - ITron remote meter reading software, Edmunds/Logics, Zobrio Cash Management
- Phone and internet - Spectrum, AT\&T, AireSpring, and Verizon

## Audio/Visual Systems

Designing and implementing audio visual/sound systems has become so important in recent years due to the pandemic. FST has experience designing and deploying Counsel Room Audio/Video Systems (PA Systems), Live Web Streaming (YouTube Live, Facebook Live, etc.), Conference Systems (Zoom, Teams, etc.)

## Microsoft 365 GCC

FST possesses extensive experience managing enterprise-level Microsoft 365 environments including Microsoft's GCC Products. Microsoft 365 Government Community Cloud (GCC) provides the added security municipalities require. Migrating municipalities to GCC tenants is just another area where FST shines.

## Email Backup and Archiving

To help conform to the Missouri Sunshine Law -Chapter 610 RSM and auditory requirements, FST has engineered solutions, installed, and actively maintains email archiving appliances to protect data such as the retention of emails.

## .Gov Domain

FST understands the process and has successfully migrated municipalities to the gov domain to improve their security footprint and communications with their citizens. Using a .gov domain shows you're official, secure, and trusted. The public shouldn't have to guess whether the site they're on or the email that hits their inbox is genuine. Additionally, this makes it more difficult for cybercriminals to impersonate city officials to defraud the public and get citizens to share sensitive information.

## CLIENT PORTFOLIO

FST provides services to clients from a wide range of industries; manufacturing, health care, medical, not-for-profit, government/municipalities, education, industrial, veterinary, and more.

Forward Slash Technology clients similar to the City of Centralia include the following.

## ONE-SOURCE MANAGED SERVICES (OSMS)

For the support of The City of Centralia, FST recommends the deployment of One Source Managed Services "OSMS." As part of the onboarding process, FST's support agents and centralized antivirus software would be installed on all workstations and servers. The support agents will aid FST in supporting The City of Centralia's network as well as begin gathering information on the existing network so we can begin to develop a long-term plan to improve the current network infrastructure.

FST's OSMS provides a preventive maintenance management service plan for servers, workstations, laptops, and network peripherals designed to maintain the most troublesome areas of network management proactively and regimentally. OSMS is performed as an unobtrusive, background service transparent to end users. The majority of issues can be resolved by our help desk via phone or by the remote control of network devices and is included in the proposed pricing.

FST has a very high rate of remote resolution, however there are times in which it is necessary for hands-on support (hardware failure, etc.) for day-to-day administration. In the event a technician should need to be on-site, FST is ready and able to provide on-site support services.

FST will provide $24 \times 7 \times 365$ monitoring, analysis, and escalation service based on alerts and early warning detection through the utilization of local agent based, monitoring tools. Under OSMS, FST's engineers watch the alerts, analyze them, and intelligently escalate issues for problem resolution. OSMS's alert analysis is performed using remote diagnostic software permitting the engineers to obtain sufficient diagnostic information to process alerts and identify solutions.

## Help Desk Support

Providing quality help desk solutions is the heart of FST's business. By rendering prompt, responsive answers to end-user's IT challenges, FST gets them back to work quickly. FST will provide remote help desk support via live technicians from 7am to 6pm CST (Mon-Fri) as part of our OSMS solution. (Weekend, holiday, and afterhours support is available as needed.)

Forward Slash Technology has found that the vast majority of our client's day-to-day technical problems can be resolved over the phone due to all Forward Slash Technology's Help Desk personnel being classified as Level 2 technicians with five (5) or more years' experience. Our help desk will provide remote support for issues such as password resets, adding or deleting users to Active Directory and general day to day support issues.

FST is committed to providing clients with the highest level of support services. The help desk prioritizes support requests upon receipt and provides the necessary services. We ensure services are provided in a timely and efficient manner following the established Service Level Agreement ("SLA") response times.

## Network

The success of The City of Centralia relies on designing, deploying, and maintaining a network that is cost-effective, robust, and flexible. FST understands these challenges and offers municipalities a comprehensive approach to improve performance at each stage of the network's life cycle. With FST deep expertise in network design, deployment and management of all types of network infrastructure hardware including but not limited to PoE switches, routers, firewalls, Cat 6e gigabit Ethernet cabling, fiber optic infrastructure, and wireless technologies The City of Centralia will have the ability to maintain focus on their core responsibilities while simplifying their operations and maximizing their return on investment (ROI). Furthermore, FST's network engineers are intimately conversant with virtual environments, including Microsoft Hyper-V hypervisor and VMware. We have designed, deployed, and actively manage a diverse set of clients and municipalities supporting multiple locations from a central Network Operations Center (NOC). FST's OSMS team has a proven track record that will empower The City of Centralia to cut operating expenses and boost network performance, resiliency, and availability.

## Wireless Networks

FST is experienced with the design, implementation, and maintenance of wireless connectivity. Wireless networks aren't just a convenience anymore - they've become an essential part of business operations. Employees rely on many mobile devices - smart phones, laptops, tablets to stay connected and productive. Ensuring that the wireless network can support these activities is a key component to a successful wireless experience. FST understands the security needs of municipalities and recommends maintaining both secure and guest networks that provide high performance and reliable coverage. Additionally, as part of our daily review of your environment, we monitor wireless environment and immediately take any steps to remediate any issues that arise.

## Telecommunication

FST recognizes that The City of Centralia utilizes an Avaya Phone system. Telecommunications is an area in which FST excels. As a Mitel certified partner, FST has a vast history supporting a wide variety of hosted and premise based phone systems from Mitel, Avaya, RingCentral, etc. From call routing, call control, and user configuration, FST is prepared to work with the city to provide the most efficient, costeffective telecommunications environment.

## Vendor Management

Through our extensive experience in dealing with IT vendors and providing vendor contract management services, FST is prepared to assist The City of Centralia with all their IT vendor needs from selection through implementation. FST has developed many vendor relationships that can support the City of Centralia such as but not limited to high voltage electricians, fiber optic management, locksmiths, and various municipality specific software applications.

FST is committed to negotiate the best possible contract terms and will work diligently to hold vendors accountable. Additionally, we will work with vendors to establish SLAs and Key Performance Indicators ("KPIs") to measure vendor performance, while actively managing contract changes and scope to ensure contract management activities result in cost effective vendor solutions.

## Video Surveillance

As an AXIS Communications Certified Partner, FST has extensive background deploying high-quality network video solutions designed to reduce costs, ensure scalability, and simplify integration. With detailed video coverage, easy to use software and role-based access controls, municipalities can restrict access based on employees' roles within the city increasing the level of security, safety, and efficiency. Additionally, with FST remote access capabilities, we are able to perform timely maintenance work, such as a system updates and/or a camera restarts without sending a technician on-site reducing the city's on-going maintenance costs.

FST works with municipalities to develop and deploy a custom network video solution to designed to keeping employees, buildings, and assets safe. These solutions give municipalities the power to go back and find incidents to review what occurred. Furthermore, video systems can also be valuable from a liability perspective. Slip-and-fall claims are common, but sometimes turn out to be false. Without video to verify claims, such incidents could be costly. Video Surveillance allows city officials to proactively address everything from crime prevention to emergency management in a cost-effective way.

## Audio / Video (Council \& Court Rooms)

Forward Slash Technology realizes that not every municipality has the same sized space, the same budget or the same requirements. Designing and installing audio / video conferencing solutions is another area where FST excels. FST engineers work with key project stakeholders to define your business needs, your budget, and review your physical space to provide thoughtful, custom designed installations.

Furthermore, FST understands employees and teams need new ways to communicate whether it is within the same office, the same building, or across multiple states or time zones. And in the same way, video conferencing is no longer a simple two-directional set up of two groups of people huddle around a small screen in two separate locations. Zoom, Teams, Skype, conference room cameras, cell phones, laptops with cameras, personal web cams and the decrease in costs of LED monitors have forever changed how we communicate with coworkers, clients, vendors, and even family members.

## Website Design

Forward Slash Technology offers a variety of web development services. From designing websites, taking them through the early idea stages to fully functioning, content rich communication hubs. Additionally, FST can rebuild existing websites, whether it be a graphical redesign, extra functionality, or added SEO
(Search Engine Optimization) value. We keep up with evolving technology and use responsive website design to allow your website to be viewed on any mobile device or tablet. Fully functional websites provide municipalities the ability to provide residents critical information keeps an open dialogue.

## vCIO and Budget Planning

FST is prepared to advise and support the strategic implementation of technology needed by the City. From cloud technologies, to IT services, to information management, FST's vCIO services can be engaged to assist The City of Centralia in navigating today's ever evolving IT landscape.

FST understands long term strategic planning is essential to The City of Centralia's growth. We are committed to collaborating with The City of Centralia in defining best-in-class IT solutions ensuring The City of Centralia maintains a competitive edge throughout future endeavors including the use of new software applications and the cloud. Furthermore, FST is prepared to assist The City of Centralia with navigating the often-confusing maze of technical jargon by acting as a technical interpreter.

## ONE-SOURCE SECURITY SERVICES (OSS)

- $24 \times 7 \times 365$ Live Monitoring Security Operations Center (SOC)
- Email security protection (backup, archiving, \& security)
- Multifactor Authentication (email \& remote access)
- Endpoint Detection \& Response
- Vulnerability Scanning
- Penetration Testing
- Dark Web monitoring and compromise mitigation
- Email Phishing and Security Awareness Training
- IT Security Policies and Procedures
- Disaster Recovery and Business Continuity Planning

Forward Slash Technology fully understands the security requirements typically outlined in Cybersecurity recommendations and insurance applications. FST has the proven background with implementing such security measures and ultimately improving municipalities cyber security footprint as well as reducing overall policy premiums. Furthermore, failure by the insured to take the necessary steps to prevent cyber security breaches can lead to the denial of insurance claims if a breach did occur.

Our goal is to provide information and recommendations to the executive team to achieve the most efficient and secure network infrastructure throughout your business. While FST's Security Officers are trained to the highest standards in detection and prevention of security incidents, please understand that your employees are and will always be the first line of defense and the biggest threat to security throughout your infrastructure. If employees are not educated about cyber security prevention and understand the most common cybersecurity threat, such as identity theft, ransomware, phishing, malware, password hacking, and unsecured WiFi, no amount of prevention or protection will stop an attack. FST's services outlined below are designed to prevent cyber criminals for exploiting known vulnerabilities and prevent attacks, but under no circumstances does FST guarantee that your municipality will not suffer financial loss, disruption of business operations, loss of credibility, or loss of intellectual property or data due to a cyber-security attack.

As cyber security threats continue to arise, Forward Slash Technology fully understands that municipalities are at an increased risk of cyber-attacks resulting in downtime, revenue disruption, loss of reputation and customer trust, legal fines and much more. FST has built an elite team of cyber security professionals whose mission is to proactively hunt, investigate, and stop cyber threats before they become business disrupting events.

Cyber-criminals are growing ever more sophisticated, and today's advanced attacks are increasingly difficult to detect. Using techniques that individually look like routine behavior, an attacker may access your infrastructure and remain undetected for months, significantly increasing the risk of a costly data breach. Standard versions of endpoint security (antivirus/antimalware) do not provide the advanced attack detection and response required that an EDR (Endpoint Detection \& Response) solution can provide. EDR's monitor your network to uncover suspicious activity early and provide the tools that you need to fight off cyber-attacks.

By integrating EDR protection with the City's network, it will detect activity that evades traditional endpoint protection and prevention software. EDR provides full visibility on the techniques, tactics, and procedures ("TTPs") being used in active attacks while providing comprehensive search capabilities for specific indicators of compromise ("IoC"), MITRE ATT\&CK techniques and other artifacts to discover early-stage attacks.

Forward Slash Technology's dedicated team of cyber professionals provide the following services to organizations on a $24 / 7$ basis.

- Endpoint security
- Windows \& MacOS event log monitoring
- Advanced breach detection, malicious files, and processes
- Threat hunting
- Intrusion monitoring and detection - real-time monitoring of malicious and suspicious activity, Identifying indicators such as connections to terrorist nations, unauthorized TCP/UDP services, backdoor connections to C2 servers, lateral movements and privilege escalation 3rd party NGAV integrations and more
- Network Security
- Firewall and edge device log monitoring integrated with real-time threat reputation, DNS information and malicious connection alerting
- Cloud Security
- Secure the cloud with Microsoft 365 security event log monitoring
- Azure AD monitoring
- Microsoft 365 malicious logins and overall Secure Score
- Real-time monitoring of malicious and suspicious activity of Endpoints, Networks, and Cloud
- Live Analyst Support
- Threat Intelligence (behavioral analytics and machine learning techniques) and Hunting
- Detection of adversaries that evade traditional cyber defenses as firewalls and anti-Virus
- Identification of attacker TTPs and aligned with Mitre Attack, producing forensic timelines of chronological events to deter intruders.
- Rapid response / human-led investigations
- Threat containment and remediation
- Detailed escalations with analysis and security recommendations

## Email Security Services

Secure email gateways are no longer sufficient to defend against today's sophisticated socialengineering attacks. These attacks bypass traditional security and end up costing municipalities time, money, and brand equity. Email Protection is the most effective solution to prevent targeted socialengineering attacks and gives municipalities the ability to quickly locate and response to Sunshine request. Its multi-layered approach combines email security, as well as a tamper-proof email archive to ensure compliance with federal and state regulations. Additionally, this includes a full cloud-to-cloud nightly backup and recovery capabilities of all emails and files. As well as multi-layer email security to prevent spear phishing and zero-day attacks.

Usernames and passwords are vulnerable to attacks, even with the strongest password policies. Twofactor (" 2 FA") / multifactor authentication ("MFA") requires two or more verification factors to gain access to either your email accounts or to access your network remotely which is necessary to protect critical data. Enabling 2FA/MFA on Office 365 helps eliminate unauthorized access even if a hacker has gained access to an employee's password.

## Network Security Services

Cyber-criminals are growing ever more sophisticated, and today's advanced attacks are increasingly difficult to detect. Using techniques that individually look like routine behavior, an attacker may access your infrastructure and remain undetected for months, significantly increasing the risk of a costly data breach. Standard versions of endpoint security (antivirus/antimalware) do not provide the advanced attack detection and response required that an EDR solution can provide. EDR's monitor your network to uncover suspicious activity early and provide the tools that you need to fight off cyberattacks.

With today’s remote access needs Virtual Private Network ("VPN") are standard practice for municipalities. VPN techniques provide security for site-to-site connections. Enabling 2FA/MFA on your VPN (managed through active directory) connections increases security levels further strengthening your security footprint.

Vulnerability testing is an essential part of mitigating security risks. By using a vulnerability scanner to identify points of weakness in your systems, you can reduce the attack surface that criminals might exploit, focusing your security efforts on the most likely targeted areas. Criminal hackers use automated tools to identify, and exploit known vulnerabilities and access unsecured systems, networks, and/or data. All it takes is one vulnerability for an attacker to access your networks.

Penetration testing solves a critical need for municipalities in an ever-changing threat landscape. Fullscale network penetration testing is ethical hacking (an authorized simulated cyberattack) providing a point-in-time snapshot of your environment. This allows municipalities to minimize cyber security risks through the implementation of compensating controls (e.g., firewall restrictions, configuration changes, etc.), and the measure their effectiveness.

## User Security Services

Information technology security policies provide clear direction on procedures. A policy standardizes processes and rules to help organizations protect against data confidentiality, integrity, and availability. At a minimum the following policies are recommended.

- Access Control Policy
- Password Policy
- Principal of Least Privilege Policy
- End-of-Life (EOL) \& Unsupported Software Products
- Cyber Security Incident Response Plan
- Disaster Recovery/Business Continuity Planning

To that last point, FST understands that The City of Centralia has invested a lot of time, money, and effort in developing business files and data. Protecting that data is crucial to protecting your business' continuity. FST actively supports several backup strategies to mitigate risks to these valuable digital assets. FST will analyze The City of Centralia's current backup strategies, as well as the existing and projected data storage usage and provide detailed recommendations which offer best-in-class solutions for data protection needs and is the foundation for creating Disaster Recovery/ Continuity Planning for The City of Centralia.

Phishing scams reached unprecedented levels regarding frequency and pervasiveness. In the US, companies saw a $25 \%$ increase in the number of phishing scams that evaded their software defense, putting employee readiness at the top of many organizations' to-do lists. In total, phishing scams account for the vast majority of data breaches, and an astonishing $76 \%$ of businesses reported being victimized by a phishing attack in the past year.

FST's Email Phishing \& Security Awareness Training uses simulated phishing attacks and security awareness training campaigns to educate employees, making them the best defense against cybercrime.

FST utilizes dark web monitoring software to identify any mentions of a municipality on the deep/dark web forums and marketplaces, particularly any mentions which include compromised business data being illegally shared or sold. With automated scanners, web crawlers, and scraping techniques and continuous monitoring for any leaked sensitive information, such as employee login credentials, trade secrets, proprietary technology, and other valuable datasets made available on illicit markets. The primary benefits to dark web monitoring are to reduce business risk, detect data breaches early, and to protect intellectual property and brand reputation.

To Whom It May Concern,

I am writing this letter on behalf of Forward Slash Technology. We have partnered with FST over the past five years, and I am pleased to say we have complete satisfaction with their IT services.

Forward Slash Technology provides services to all our locations (City Hall, Regional Airport, Public Works, Police Department, Water Tower, and Perry Park). Initially they came in and evaluated our network, proposed, and implemented a new network design which has provided a more stable and secure network. Forward Slash Technology has completed a number of successful projects over the past five years, including: replaced our failing network infrastructure at the Airport, migrated the entire city's email to Office 365, deployed a Mitel premise based phone system city wide.

Most recently, they have deployed video surveillance cameras throughout city hall and our park center and will be further strengthening our cyber security this year. Forward Slash Technology continues to provide network support as well as day-to-day helpdesk support.
I'm happy to recommend Forward Slash Technology's services, if you have any questions, feel free to contact me.

Ms. Tara Strain
City Administrator

Ms. Strain, Honorable Mayor Cox and Board of Alderman,

Please accept this letter of recommendation on behalf of Forward Slash Technology. I've had the good fortune of working with Mr. Monte Hickey at Forward Slash Technology for the past 10 years. During this time, I have had the opportunity to witness firsthand his organization's dedication and commitment to the City of Crystal City. I have also witnessed their willingness to go above and beyond their normal job duties to make sure we are always satisfied.

Forward Slash Technology has updated our entire computer network at multiple locations throughout the City of Crystal City serving all branches of Government including 24/7/365 on call assistance for the City of Crystal City Police Department. In 2015, Forward Slash Technology updated our phone system to a more reliable VoIP system, during the conversion from our old phone system to our current system the transition was handled with the utmost professionalism including training employee's on the new system, disconnection from the old system and termination letters for our old service providers.

In late 2016, Forward Slash Technology updated our email environment to Microsoft Office 365. This migration provided the City of Crystal City with a more robust, business-class email system. We now experience better access to email and calendaring, more secure and reliable email connectivity and a simplified way of managing email accounts across the entire city. The entire Forward Slash Technology team worked hand-in-hand with city employees ensure a successful migration.

In early 2017, Forward Slash Technology designed and developed a new customized website build on the Joomla content management system giving the City of Crystal City a mobile friendly, aesthetically pleasing, faster loading, SEO friendly modern website. Forward Slash Technology currently provides ongoing customization, upgrades and technical support for the City of Crystal website (www.crystalcitymo.org) and I could not be happier with not only the look of the website, but Forward Slash Technology's fast and efficient response to any requested additions or deletions.

Forward Slash Technology has also updated the City of Crystal City's video surveillance system. This new system allows the City of Crystal City real time monitoring of multiple locations resulting in improved security throughout city facilities. The Forward Slash Technology team worked directly with key members of the City of Crystal City to ensure proper placement of cameras. Additionally, they provided one-on-one to training to key staff members on everything from setting up camera views to exporting videos. Their knowledge and expertise in video surveillance is exceptional.

During the Covid pandemic, Forward Slash Technology upgraded our Council chambers with all new audio/video technology including microphones, speakers, $2-85$-inch tv's, cameras, computers, and a YouTube channel to broadcast our meetings.

Mr. Hickey and Forward Slash Technology are sincere and truly care about the organizations they work for. They are also determined and eager to learn any role they are given in order for the organization to succeed. As the City Administrator of Crystal City, I believe Forward Slash Technology will quickly prove their selves to be valuable team members for all your technology needs.

It is with great pleasure that I recommend Forward Slash Technology, I believe if given the chance you to will soon realize what a valuable asset Forward Slash Technology will be for your organization. Please feel free to contact me directly at 636-937-4614 or j.eisenbeis@crystalcitymo.org should you have any further questions.

Re: Forward Slash Technology

To Whom It May Concern,
I am writing on behalf of Forward Slash Technology. FST has been the Perry County, Missouri's Managed Services Provider for the past three years. During that time, they have successfully completed several IT projects and provides forward thinking planning within our budget.

Forward Slash Technology initially migrated the entire county's email to Office 365, upgraded our firewalls and servers, moved us to fiber internet and deployed our county-wide Mitel phone system. Currently Forward Slash Technology is assisting the county in strengthening our cyber security posture to ensure our cyber insurability and is working with our architects on the network design of our new Justice Center.

Forward Slash Technology continues to provide outstanding network support as well as day-today helpdesk support to all county offices. Their overall IT knowledge and experience has been an invaluable asset to the county and I am pleased to recommend their services.

If you have any questions, please feel free to contact me directly.
Sincerely,

County of Perry, MO

To Whom It May Concern,
I am writing this letter to you as my recommendation of Forward Slash Technology. The City of Osage Beach has been working with Forward Slash Technology since 2020 and we are very pleased with their technical expertise and quality of work. Forward Slash Technology has completed several successful projects include a migration from VDI to a physical environment as well as several cyber security upgrades including dark web monitoring, email phishing, total email protection and vulnerability scanning. Currently Forward Slash Technology is working on the deployment of a premise-based phone system. This project, along with other technology recommendations has saved the city thousands of dollars on our IT budget annually.

Most recently Forward Slash Technology completed a server migration for the City. This project was a complete success. Their engineering and help desk teams are absolute rockstars. We have and continue to receive positive feedback from our user community praising their staff. Partnering with Forward Slash Technology has been true asset to me and the City of Osage Beach. Their quick response, IT knowledge and technical recommendations are unsurpassed.

If you have any questions regarding my recommendation or you would to discuss Forward Slash Technology further, please feel free to contact me directly.

Sincerely,

Mikeal Bean
IT Manager

## OMNIA PARTICIPATING PUBLIC AGENCIES TERMS

1. Participating Public Agencies. Cintas Corporation No. 2 ("Cintas") agrees to extend the same terms, conditions, and covenants agreed to under the OMNIA Vendor Agreement executed between Cintas and University of Nebraska (the "Master Agreement") to other government agencies ("Participating Public Agencies") that, in their discretion, desire to access the Master Agreement in accordance with all terms and conditions contained herein or attached hereto. Each Participating Public Agency will be exclusively responsible and deal directly with Cintas on matters relating to length of agreement, ordering, delivery, inspection, acceptance, invoicing, and payment for products and services in accordance with the terms and conditions of the Master Agreement. By executing this Acceptance Agreement, the Customer identified on Page 1 herein agrees to be bound by the terms and conditions set forth in the Master Agreement as a Participating Public Agency and the terms and conditions set forth in this Acceptance Agreement. Master Agreement available at https://www.omniapartners.com/publicsector.
2. Dispute Resolution - Arbitration and Class Waiver. This provision shall take precedence over and supersede any contrary or conflicting provision in the Master Agreement.
a. Arbitration Notice. Customer agrees to the maximum extent permitted by law that any dispute, controversy, or claim arising out of or relating to this Acceptance Agreement (including its enforcement, performance, breach, arbitrability, or interpretation) or to the products or services provided hereunder will be submitted to and resolved by final and binding individual arbitration. ARBITRATION MEANS THAT AN ARBITRATOR, AND NOT A JUDGE OR A JURY, WILL DECIDE THE DISPUTE, CONTROVERSY, OR CLAIM. BY ACCEPTING THESE TERMS, YOU AND CINTAS ARE EACH EXPRESSLY WAIVING THE RIGHT TO A TRIAL BY JURY AND TO PURSUE OR PARTICIPATE IN ANY CLASS ACTION, COLLECTIVE ACTION, OR REPRESENTATIVE CLAIMS OR PROCEEDINGS EITHER IN ARBITRATION OR IN ANY COURT. To the extent a class or collective action or representative claim or proceeding may not be waived, you agree to stay any such actions, claims, and proceedings until after all actions, claims, and proceedings subject to arbitration are fully resolved.
b. Arbitration Procedures. Any arbitration between Customer and Cintas will be governed by the Commercial Dispute Resolution Procedures and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this Acceptance Agreement, and will be administered by the AAA. The AAA Rules and filing forms are available online at www,adr.org, by calling the AAA at $1-800-778-7879$, or by contacting Cintas. Any arbitration hearings will take place in the state in which Customer is located; provided, however, that if the claim is for $\$ 10,000$ or less, Customer may choose for the arbitration instead to conducted: (i) solely on the basis of documents submitted to the arbitrator; or (ii) through a telephonic hearing. The arbitrator must issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the decision and award, if any, are based.
c. Fees. Arbitration fees will be assessed consistent with the AAA Rules.
d. No Class Actions in Arbitration or in Any Court, No Jury Trial. CUSTOMER AND CINTAS AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY LAW, EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN THEIR INDIVIDUAL CAPACITIES AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING, WHETHER IN ARBITRATION OR IN ANY COURT. FURTHER, UNLESS BOTH CUSTOMER AND CINTAS AGREE OTHERWISE, AN ARBITRATOR OR JUDGE MAY NOT CONSOLIDATE MORE THAN ONE PARTICIPATING PUBLIC AGENCY'S CLAIMS AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A REPRESENTATIVE OR CLASS PROCEEDING.
FOR THE AVOIDANCE OF DOUBT, CUSTOMER AND CINTAS AGREE TO RESOLVE ANY DISPUTE ON AN INDIVIDUAL, NON-REPRESENTATIVE, NON-CLASS BASIS IN ARBITRATION, BUT IF FOR ANY REASON SUCH DISPUTE PROCEEDS IN COURT, CUSTOMER AND CINTAS AGREE TO WAIVE ANY RIGHT TO HAVE THE DISPUTE PROCEED AS A CLASS ACTION OR IN ANY REPRESENTATIVE CAPACITY WHATSOEVER. IF THE DISPUTE PROCEEDS IN COURT, CUSTOMER AND CINTAS AGREE TO WAIVE ANY RIGHT TO A TRIAL BY JURY.
e. Enforceability. If the requirement to submit any and all disputes, controversies, and claims to binding arbitration is found to be unenforceable or contrary to applicable law, the dispute, controversy or claim will be resolved in accordance with, and governed by, the laws of the State in which the Participating Public Agency exists.
f. Severability. If any section or provision of this I\| 2, Dispute Resolution - Arbitration and Class Waiver, is found to be unenforceable or invalid, the parties will substitute an enforceable provision that, to the maximum extent possible under applicable law, preserves the original intentions of the parties, and the remainder will be given full force and effect
3. Dispute Resolution - Timing of invoice challenges: Requests for an invoice adjustment or challenges to invoice amounts must be received by Cintas within 60 days of Customer's receipt of the contested invoice, or any billing dispute is waived. Notification to Cintas of a request for an invoice adjustment must be made in writing and must include the invoice number, disputed amount, and the reason for the disputed charge.
4. In the event of any conflict between this Acceptance Agreement and the Master Agreement, the Master Agreement shall prevail, except to the extent this Acceptance Agreement specifically provides that it is superseding a provision in the Master Agreement.

## CINTAS GENERALSERVICE TERMS SECTION

1. Prices Customer agrees to rent from Cintas, and Cintas agrees to provide to Customer, the merchandise, inventory and services at the prices listed in the Master Agreement and/or outlined above. There will be a minimum charge of thirty-five dollars ( $\$ 35.00$ ) or $50 \%$ of initial invoice (whichever is greater) per delivery for each Customer location required to purchase its rental services from Cintas as set forth in this Acceptance Agreement.
2. Buyback of Non-Standard Garments Customer has ordered from Company a garment rental service requiring garments that may not be standard to Company's normal rental product line or include direct embroidery or an unusual emblem placement. Non-standard items will also include standard garments that have been embroidered. Those non-standard products will be designated as such under Garment Description in the Uniform Product Rental Pricing Chart(s). In the event the Customer deletes a non-standard product, alters the design of the non-standard product, fails to renew the Agreement, or terminates the Agreement in whole or in part for any reason, the Customer agrees to buy back all remaining non-standard products allocated to Customer that the Company has in service and out of service at the then current Loss/Damage Replacement Values.
3. Garments' Lack of Flame Retardant or Acid Resistant Features Unless specified otherwise in writing by Cintas, the garments supplied under this Acceptance Agreement are not flame retardant or acid resistant and contain no special flame retardant or acid resistant features. They are not designed for use in areas of flammability risk or where contact with hazardous materials is possible. Flame resistant and acid resistant garments are available from Cintas upon request. Customer warrants that none of the employees for whom garments are supplied pursuant to this Acceptance Agreement require flame retardant or acid resistant clothing.
4. Logo Mats In the event that Customer decides to delete any mat bearing the Customer's logo (Logo Mat) from the rental program, changes the design of the Logo Mats, terminates this Acceptance Agreement for any reason or fails to renew this Acceptance Agreement, the Customer will purchase at the time of deletion, design change or termination, all remaining Logo mats that Cintas has in service and out of service held in inventory at the then current Loss/Damage Replacement Value.
5. Adding Employees Additional employees and merchandise may be added to this Acceptance Agreement at any time upon written or oral request by the Customer to Cintas. Any such additional employees or merchandise shall automatically become a part of and subject to the terms of this Acceptance Agreement. If such employees are employed at a Customer location that is then participating under this Acceptance Agreement, the Customer shall pay Cintas the one-time preparation fee indicated on the Master Agreement and/ or outlined above. Customer shall not pay Cintas any one-time preparation fee for garments for employees included in the initial installation of a Customer location. There will be a one-time charge for name and/or company emblems when employees are added to the program in garments requiring emblems.
6. Emblem Guarantee if Customer has requested that Cintas supply emblems designed exclusively for Customer featuring Customer's logo or other specific identification (hereinafter "Customer Emblems"), Cintas will maintain a sufficient quantity of Customer Emblems in inventory to provide for Customer's needs and maintain a low cost per emblem through quantity purchases.
In the event Customer decides to discontinue the use of Customer Emblems, changes the design of the Customer Emblems, terminates this Acceptance Agreement for any reason or fails to renew this Acceptance Agreement, the Customer will purchase at the time of deletion, design change, termination or expiration, all remaining Customer Emblems that Cintas allocated to Customer at the price indicated on the Master Agreement and/or outlined above of this Acceptance Agreement. In no event shall the number of Customer Emblems allocated to Customer exceed the greater of (a) twelve (12) months' volume for each unique Customer Emblem or (b) a quantity agreed to by Cintas and Customer and noted on the Master Agreement and/or outlined above.
7. Terminating Employees Subject to the provisions of this Acceptance Agreement, the weekly rental charge attributable to any individual leaving the employ of the Customer, or on a temporary leave of absence of three (3) weeks or more, shall be terminated upon oral or written notice by the Customer to Cintas but only after all garments issued to that individual, or value of same at the then current Loss/Damage Replacement Values, are returned to Cintas.
8. Replacement In the event any merchandise is lost, stolen or is not returned to Cintas, or is destroyed or damaged by fire, welding damage, acid, paint, ink, chemicals, neglect or otherwise, the Customer agrees to pay for said merchandise at the then current Loss/Damage Replacement Values.
9. Additional Customer Locations. Notwithstanding anything to the contrary contained herein, there will be a minimum term equal to the greater of thirty-six (36) months or the remainder of the Term for any individual Customer location added after the date of this Acceptance Agreement.

## City of Centralia Request for Proposals RUG RENTAL SERVICES FOR VARIOUS CITY DEPARTMENTS

## 1. Introduction:

The City of Centralia is soliciting proposals from firms who are interested and qualified to provide rug rental services for various City departments. It is the intent of the city to select a single firm to accomplish all services outlined in this RFP.

### 1.1 Clarification and Interpretation of RFP

1.1.1 The words "must" or "will" or "shall" in this RFP indicate mandatory requirements. Taking exception to any mandatory requirement will be grounds for rejection of the proposal.
1.1.2 The city desires to avoid any misunderstanding where it is assumed that a feature is included in the proposal and turns out to be an optional, extra cost feature. As such, any question answered with an indication of compliance will be considered included at no additional cost. Any service that is referred to in the body of this response (does not pertain to attachments and brochures) will be considered included in the basic offer.

### 1.2 Purpose

The purpose of this RFP is to provide minimum requirements, solicit proposals, and gain adequate information from which the City may evaluate the Proposer's products and services as they compare to other providers and as they pertain to the needs of the City's organization as defined in this document.

## 2. Background Information:

### 2.1 General

The City of Centralia intends to establish a contract for rug rental services for various departments in accordance with the specifications outlined in this document. Departments include but are not limited to City Hall, Police, Electric, Street \& Sanitation, and Water \& Wastewater.

This contract will be awarded on an all-or-none basis to the proposer having sufficient ability to perform this contract for the City of Centralia.

All numbers are estimates and may be varied as needed. Approximately:

## Scope of Work:

### 2.2 General

The City of Centralia is seeking proposals for rug rental services. This contract is intended for routine and continuous usage. The quantities are estimates based on the previous usage. These estimates are for acquainting the offeror with probable quantities to be expected during the contract period. Proposed quantities are estimates and may be subject to additions or deletions prior to award. No darnage fees or replacement costs will be charged by the offeror except for loss by employee, or willful abuse of item beyond normal wear and tear. All damaged items must be made available for examination by a City of Centralia representative to make final determination as to the damage or replacement cost.

### 2.3 Samples

Vendors may be requested to provide samples.

### 2.4 Catalog

Vendor shall submit a reasonable catalog for selection of self-purchase items where employees can have an option of upgrading their rug inventory.

### 2.5 Delivery

All deliveries shall be once per week Tuesday thru Thursday. Deliveries shall be made on the same day each week between 7:30 am and $3: 30 \mathrm{pm}$. Holiday adjustments shall be made in advance. Failure to meet delivery requirements may result in termination of this contract.

### 2.5.1 Drop Off and Pick Up Locations

| City Hall | City Hall | 114 South Rollins St. |
| :--- | :--- | ---: |
| Electric Dept. | Electric Shop | 310 N Columbia St. |
| Street \& Sanitation | Street Dept. | 727 South Street |
| Water \& Wastewater | Water Plant | 1191 E Booth Street |
| Police | Police Department | 114 S Rollins Street |
| Community Room | City Hall | 114 S Rollins Street |

### 2.6 Unsatisfactory Service

If the City of Centralia receives deliveries of unsatisfactory service that are not quickly and routinely corrected, the Vendor shall have fifteen (15) calendar days from the receipt of written notice to resolve said problems. If said problem is not resolved by the Vendor, the City of Centralia may then terminate this agreement for non-performance with fifteen (15) day written notice.

## 3. Contract Terms and Conditions:

### 3.1 General

The selected firm shall be required to enter into a formal agreement acceptable to the City Attorney that is similar in form and content to the Agreement Template attached hereto. ## 5. Proposal Evaluation Process

All proposals will be screened by the City Administrator and his/her representatives and will follow the adopted City policy regarding formal bidding procedures. The lowest responsible and responsive bidder will be determined and recommended to the Board of Aldermen.

The City's process is as follows:
5.1 City staff shall review all proposals for accuracy and completeness.
5.2 Once proposals are reviewed, City staff will select the lowest responsible and responsive bidder based on the criteria found in the adopted purchasing policy:
in determining the lowest responsible and responsive bidder, the City will consider the following:
A. Conformity to the specifications contained in the invitation to bid.
B. The ability, capacity, and skill of the bidder to perform the contract or provide the services required.
C. Whether the bidder can perform the contract to provide the services promptly or within
required time periods without delay or interference.
D. The quality of performance of previous contracts or services.
E. The previous and existing compliance by the bidder with laws and ordinances of the City and the state.
F. The financial resources and the ability of the bidder to perform the contract or provide the service.
G. The quality, availability, and adaptability of the supplies or services.
H. Life cycle costs.
5.3 Should negotiations be unsuccessful, the City shall enter into negotiations with the next, highest ranked Vendor. The process shall continue until an agreement is reached with a qualified Vendor.
5.4 This RFP does not commit the City to pay for any direct and/or indirect costs incurred in the preparation and presentation of a response. All finalist(s) shall pay their own costs incurred in preparing for, traveling to and attending interviews.
5.5 The City reserves the right to negotiate the final fee prior to recommending any Vendor for a contract.

The City reserves the right to use all pertinent information (also learned from sources other than disclosed in the RFP process) that might affect the City's judgment as to the appropriateness of an award to the best evaluated proposer. This information may be appended to the proposal evaluation process results.

## TERMS AND CONDITIONS:

MULTIPLE CONTRACTORS: The City reserves the right to make a single award or multiple awards, whichever are in the best interest of the City.

DOCUMENTATION: Respondent shall provide with this response all documentation required by this RFP. Failure toprovide this information may result in rejection of proposal.

TAX EXEMPTION: The City is not liable to respondent for any federal, state, or local taxes for which the City is not liable by law, including state and local sales and use taxes (RSMo. 144.030 to 144.525) and federal excise tax (Subtitle D of the Internal Revenue Code). Accordingly, those taxes may not be added to any item. The City's Tax Exemption Certificate will be furnished by the City on request of the respondent.

DISCUSSIONS: Formal or informal communication involving an oral or written exchange of information for the primary purpose of obtaining information essential for determining the acceptability of a proposal may occur. Any discussions of this nature are only intended to clarify the City's understanding of submissions.

BEST AND FINAL OFFER (BAFO): in a competitive negotiation, the final proposal submitted after negotiations or discussions are completed that contains the proposer's most favorable terms for price, services, and products to be delivered.

EVALUATION PROCESS: It is the City's intent to enter into a contract with the Vendor that offers the "best value" for the desired project. After receipt of the proposals, City of Centralia will evaluate the proposals based upon the evaluation criteria set forth in the Request for Proposal. The City has at its sole discretion, the ability to negotiate with the respondent determined to be the highest ranked after completion of the evaluations.

The City may elect to conduct discussions with the respondents deemed to be in the competitive range for award. If discussions are held, respondents identified in the competitive range will be given equal opportunity to discuss and submit revisions to their proposals. Revisions of proposals are accomplished by formally requesting Best and Final Offers (BAFOs) at the conclusion of discussions with a deadline set for receipt of BAFOs and including instructions as to exactly what should be submitted in response to the BAFO. After consideration of all BAFO responses, the City will select the topranked respondent, and will enter into contract negotiations.

COSTS TO SUBMIT; The City of Centralia will not be liable for any costs incurred by any respondent in preparation of a submittal in response to this request, in conduct of a presentation, or any other activities related to the response of this ITB.

INSURANCE REQUIREMENTS: Contractor shall maintain, at his/her sole cost, at all times while performing work hereunder, the insurance and bond coverage set forth below with companies satisfactory to the Owner with full policy limits applying, but not less than stated. A certificate evidencing the required insurance and specifically citing the indemnification provision set forth in the Agreement shall be delivered to the Owner within fifteen (15) days that Notice to Proceed has been accepted by Contractor.
(1) Workman's Compensation Insurance as required by laws and regulations applicable to and covering employees of Contract engaged in the performance of the work under this agreement with a limit of not less than \$1,000,000.00;
(2) Emplovers Liability Insurance protecting contractor against common law liability, in the absence of statutory liability, for employee bodily injury arising out of the master-servant relationship with a limit of not less than $\$ 100,000.00$.
(3) Comprehensive General Liability Insurance including products/completed operation with limits of liability of not less than: Bodily Injury $\$ 1,000,000.00$ per each person, $\$ 1,000,000.00$ per each occurrence $/ \$ 2,000,000.00$ aggregate; Property Damage $\$ 1,000,000.00$ per each occurrence;
(4) Excess Liability Insurance Comprehensive General Liability, Comprehensive Automobile Liability and coverage's afforded by the policies above, with the minimum limits of $\$ 1,000,000.00$ excess of specified limits;

ADDENDA: Any interpretations, corrections or changes to this Request for Proposal and specifications will be made by addenda. Sole issuing authority of addenda shall be vested in the City of Centralia. Any changes to specifications will be made in writing and posted on the City's website at: https://www.centraliamo.org/rfps. Respondents shall acknowledge receipt of all addenda on the Bidder Certification/Addenda Acknowledgement form found within this document.

LATE PROPOSALS: Proposals received by the City after the submission deadline will be considered void and unacceptable. City of Centralia is not responsible for lateness or non-delivery of mail, carrier, etc. The date/timestamp at the Receptionist's desk at City of Centralia, City Hall shall be the official time of receipt.

ALTERING PROPOSALS: Proposals cannot be altered or amended after submission deadline. Any alterations or erasures made before opening time and must be initialed by the signer of the proposal, guaranteeing authenticity.

AWARD: The City has the right to award a contract upon the conditions, terms and specifications contained in a proposal submitted to the City for a period of up to ninety (90) days following the date specified for the opening of proposals.

Because the City is a governmental entity that must follow State and Federal laws and has an obligation to protect its taxpayers, the City requires that certain terms be included in the contract that result from this solicitation. Your response to this solicitation is an offer to contract with the City based on the terms, conditions, and specifications contained in this solicitation. If any of the mandatory contract terms are unacceptable to you, please do not respond to this solicitation.

CONFLICTING PROVISIONS: The contract consists only of the City prepared contract and any additional City or respondent contract documents incorporated by reference as a part of the contract. If a conflict or inconsistency exists between the City prepared contract and a document incorporated by reference, the City prepared contract controls. If a conflict or inconsistency exists between additional contract documents incorporated by reference, the City's additional contract document takes precedence over the respondent's additional contract document.

PAYMENT PROVISIONS: The City's payments under the contract, including the time of payment and the payment of interest on overdue amounts, are subject to RSMo. 365.100.

LIABILITY AND INDEMNITY: Any provision of the contract is void and unenforceable if it: (1) limits or releases either party from liability that would exist by law in the absence of the provision; (2) creates liability for either party that wouldnot exist by law in the absence of the provision; or (3) waives or limits either party's rights, defenses, remedies, or immunities that would exist by law in the absence of the provision.

GOVERNING LAW AND VENUE: Missouri law governs this contract and any lawsuit on this contract must be filed in a court that has jurisdiction in Boone County, Missouri.

ETHICS: The respondent shall not offer or accept gifts or anything of value or enter into any business arrangement with any employee, official or agent of City of Centralia. More than one proposal on any one contract from a respondent or individual under different names shall be grounds for rejection of all proposals in which the respondent or individual has an interest. One or all proposals will be rejected if there is any reason to believe that collusion exists between respondents.

DELIVERY: Any delivery and freight charges (FOB City of Centralia designated location) are to be included in the proposal price.

INVOICES: submitted for payment shall be addressed to: City of Centralia, Accounts Payable, 114 S . Rollins St., Centralia, MO 65240, cityhall@centraliamo.org. Periodic payments will be made within thirty (30) days of invoice date or satisfactory delivery of the product or service, whichever is later, provided that all other requirements as detailed in the contract have been fulfilled.

WARRANTY: Successful respondent shall warrant that all items or services shall conform to the proposed specifications and all warranties as stated in the Rug Commercial Code and be free from all defects in material, workmanship, and title.

PATENTS/COPYRIGHTS: The successful respondent agrees to protect City of Centralia from claims involving infringements of patents and/or copyrights.

TERMINATION OF CONTRACT: The City of Centralia reserves the right to terminate the contract immediately in the event the successful respondent:

1. Fails to complete project in a timely manner agreed upon by both parties;
2. Otherwise fails to perform in accordance with this contract;
3. Becomes insolvent and/or files for protection under bankruptcy laws.

Such termination is in addition to and not in lieu of any other remedies that City of Centralia may have in law orequity. Respondent, in submitting this proposal, agrees that City of Centralia shall not be liable to prosecution for damages if phe

City declares the respondent in default.

TERMINATION FOR CONVENIENCE: The contract may be terminated, without penalty, by either party by providing sixty (60) days' written notice to the other party.

NOTICE: Any notice provided by this ITB or required by law to be given to the successful respondent by City of Centralia shall be deemed to have been given and received on the next business day after such written notice has been deposited in the U. S. mail in Centralia, Missouri, by Registered or Certified Mail with sufficient postage affixed thereto, addressed to the successful respondent at the address so provided; provided this shall not prevent the giving of actual notice in any other manner.

ASSIGNMENT: The successful respondent shall not sell, assign, transfer or convey this contract, in whole or in part, without the prior written consent of City of Centralia.

CONTINGENCIES: Before submitting their bid, Proposers should make a careful examination of the scope of work and of the difficulties involved in its proper execution. Proposers should include in their proposal all costs they deem proper and sufficient to cover all contingencies essential to the installation of the proposed system, notwithstanding that every item or contingency is not specifically mentioned herein.

NOTICE: The City of Centralia has drafted the following document (SAMPLE) that will serve as the agreement between the parties in the event of a contract. Please review, edit and/or comment with your RFP response so that the City might consider BEFORE proceeding with a contract.

All policies must contain a waiver of subrogation against City. Comprehensive General Liability and Commercial Automobile Liability policies must name City as Additional Insured. Contracting Party shall pay all insurance deductibles and deductibles must not exceed $\$ 10,000$ unless approved in advance by City. Contracting Party shall provide City Certificates of Insurance evidencing these insurance requirements prior to the start of work.
21. AUDIT; INDEPENDENT AUDITS; RIGHT TO AUDIT; RETENTION; SUPPORTING DOCUMENTS: The Contracting Party agrees and authorizes City and/or the State Auditor (collectively, "Auditor") to conduct audits or investigations in connection with this Agreement. Contracting party agrees to cooperate with Auditors conducting such audits or investigations and to provide all information and documents reasonably requested. Contracting Party will include this provision in all contracts with permitted subcontractors.
22. LIMITATIONS: The Parties are aware that there are constitutional and statutory limitations on the authority Page 17 of 19
of City to enter into certain terms and conditions of the Agreement, including, but not limited to, those terms and conditions relating to liens on City's property; disclaimers and limitations of warranties; disclaimers and limitations of liability for damages; waivers, disclaimers and limitations of legal rights, remedies, requirements and processes; limitationsof periods to bring legal action; granting control of litigation or settlement to another party; liability for acts or omissionsof third parties; payment of attorneys' fees; dispute resolution; indemnities; and confidentiality (collectively, the "Limitations"), and terms and conditions related to the Limitations will not be binding on City except to the extent authorized by the laws and Constitution of the State of Missouri.
23. SOVEREIGN IMMUNITY: Except as otherwise provided by Missouri law, neither the execution of the Agreement by City nor any other conduct, action or inaction of any City representative relating to the Agreement is a waiver of sovereign immunity by City.
24. REPRESENTATIONS BY CONTRACTING PARTY: Contracting Party represents and warrants that it will obtain and maintain in effect, and pay the cost of all licenses, permits or certifications that may be necessary for Contracting Party's performance of this Agreement. If Contracting Party is a business entity, Contracting Party warrants, represents, covenants, and agrees that it is duly organized, validly existing and in good standing under the laws of the state of its incorporation; and is duly authorized and in good standing to conduct business in the State of Missouri, that it has all necessary power and has received all necessary approvals to execute and deliver the Agreement and is authorized to execute this Agreement according to its terms on behalf of Contracting Party.
25. ELIGIBILITY TO RECEIVE PAYMENT: Contracting Party certifies that, as a matter of State law, it is not ineligible to receive the Agreement and payments pursuant to the Agreement and acknowledges that the Agreement may be terminated, and payment withheld if this representation is inaccurate.
26. PAYMENT OF DEBT/DELINQUENCY TO STATE: Contracting Party certifies that it is not indebted to the City of Centralia and is current on all taxes owed to the City of Centralia. Contracting Party agrees that any payments owing to Contracting Party under the Agreement may be applied directly toward any debt or delinquency that Contracting Party owes the City of Centralia regardless of when it arises, until such debt or delinquency is paid in full.
27. PRODUCTS AND MATERIALS PRODUCED IN MISSOURI: If Contracting Party will provide services under the Agreement, Contracting Party covenants and agrees that in performing its duties and obligations under the Agreement, it will purchase products and materials produced in Missouri when such products and materials are available at a price and dellvery time comparable to products and materials produced outside of Missouri.

29. RISK OF LOSS: All work performed by Contracting Party pursuant to the Agreement will be at Contracting Party's exclusive risk until final and complete acceptance of the work by City. in the case of any loss or damage to the work prior to City's acceptance, such loss or damage will be Contracting Party's responsibility.
30. PUBLICITY: Contracting Party shall not use City's name, logo or likeness in any press release, marketing materials or other public announcement without receiving City's prior written approval.
31. LEGAL CONSTRUCTION/SEVERABILITY: If any one or more of the provisions contained in this contract shallfoge
any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision, and this contract shall be construed as if such invalid, illegal or unenforceable provisions had never been contained in it. To this end, the provisions of this contract are declared to be severable. The Parties may mutually agree to renegotiate the contract to cure such illegality/invalidity or unconstitutionality if such may be reasonably accomplished.
32. NON-WAIVER: No covenant or condition of this Agreement may be waived except by written consent of the waiving party. Forbearance or indulgence by one party in any regard whatsoever shall not constitute a waiver of the covenant or condition to be performed by the other party.
33. ENTIRE AGREEMENT: This contract constitutes the entire contract and supersedes all prior or contemporaneous agreements, whether written or oral, between the parties. Verbal representations not contained herein shall not be binding on the parties unless acknowledged by them in writing.
34. AUTHORITY: The person signing below on behalf of City and Contracting Party warrants that he/she has the authority to execute this contract according to its terms.
35. AMENDMENT: This Agreement may be changed, amended, modified, extended, or assigned only by mutual consent of the parties if consent shall be in writing and executed by the parties hereto prior to the time such change shall take effect.
36. BINDING AGREEMENT: This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

IN WITNESS WHEREOF, City and Contracting Party, by and through their duly authorized officers and representatives, have executed this Agreement as of the date first above written.
