

Wiffleball & Tball

Wiffleball & Tball

Centralia Parks & Rec offers the opportunity for your young child to participate in Wiffleball and Tball. Wiffleball gives your 3 and 4 year olds (as of June 1st) the chance to socialize and begin learning about the sport. Tball expands on that learning for children who will be entering Kindergarten in Fall 2024 or finished Kindergarten Spring 2024.

Teams play among themselves locally and are coached by parent volunteers. More information regarding dates, teams and important schedule info will be found here.

Registration is CLOSED
